

Concept design for the area around Peckham Rye Station

View and discuss design proposals for the redevelopment of this significant local site.

Network Rail, working in partnership with Southwark Council and the Mayor of London, are making plans to significantly improve the area around Peckham Rye Station. This will involve the creation of new public spaces, shops, workspace and housing and the redevelopment of railway yards and arches, as part of a broader integrated programme of works to revitalise the station.

Following a well-attended initial consultation event and associated activity in late 2013, the design team now have outline design proposals to share with you. We're keen to know your opinion to help us prepare well-considered final designs with which to apply for planning permission.

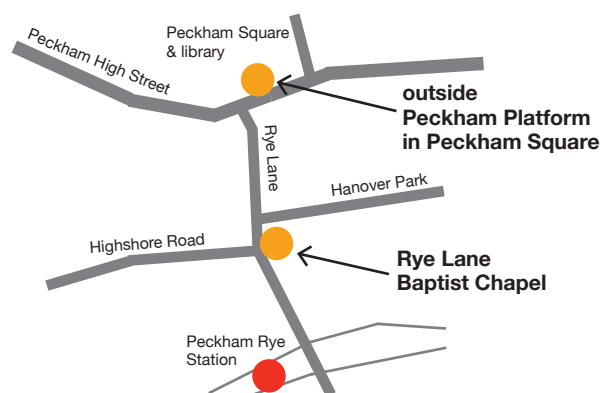

We'll also report back from the first stage of consultation, explaining how we responded to your ideas and opinions in our designs, and answering some of your questions about how the development will happen.

Saturday 18th January, 11am - 5pm
Rye Lane Baptist Chapel, SE15 5EX

Monday 20th January, 2pm - 4.30pm
outside Peckham Platform (formerly Peckham Space) in Peckham Square

There are a number of ways in which you can see the proposals and give feedback:

- Attend our **drop-in event** on **Saturday 18th January**. Please note that there will be a formal presentation and Q&A session by the architects, starting promptly at 3pm, for those who prefer a more collective public discussion.
- **Pop-up drop-in event** outside the entrance to Peckham Platform, Peckham Square on **Monday 20th January**.
- View the display in the lobby of **Peckham Library** from Monday 20th January. (Feedback forms available from 4th floor reception desk)
- View the display online at www.peckhamrystation.com from Sunday 19th January 2014.

Whichever you choose, we'd appreciate having your views back by **Sunday 26th January**, to help ensure maximum influence upon the evolving design and for including in the 2nd stage consultation report.

However feedback is welcome throughout the design process on an ongoing basis, as well as to Southwark Council as part of the statutory planning application process. If none of the above work for you, or if you have any questions or comments, please contact Daisy Froud from the design team on 020 7739 9950 or at daisy.froud@theAOC.co.uk **Network Rail National Helpline 08457 11 41 41**
