

## **Peckham Vision – Data protection - privacy and transparency notice**

Peckham Vision is a citizens' action group run by volunteers. This is our statement of how we collect personal data and protect it.

### **How do we collect data?**

We keep only information that you have given us, whether in-person (at an event or in our shop), or if you have contacted us by email.

### **What data do we keep?**

If you have supplied them, we keep your name(s), addresses, phone number(s) and email addresses, and your interest(s) in our work. If you want to check the data we have about you, please email us and we will send it to you.

### **What do we use this data for?**

We use this to keep you up-to-date with Peckham Vision work and to share information that is relevant to the work we do. We occasionally also use address details to send information relevant to what is happening in your local area.

### **Where is the data kept?**

We keep this data in our information system database. We do not share it with third parties.

If you no longer want to receive emails or information from us, or if you wish to have your details removed from our database, please email to let us know at: [info@peckhamvision.org](mailto:info@peckhamvision.org)

If you have any queries, please do not hesitate to get in touch: [info@peckhamvision.org](mailto:info@peckhamvision.org)
