CAMBERWELL

PECKHAM

Bring the Tube to Camberwell and Peckham

- Better access for patients and staff to nationally important facilities like Kings College Hospital, the Institute of Psychiatry and the Maudsley Hospital.
- To take pressure off bus services using highly congested routes like the Walworth Rd, Camberwell New Road, Peckham Road.
- To reduce pollution.
- To link our densely populated area to central London.
- To bring much needed opportunities for employment.
- To connect the Overground into the tube network at Peckham.

Want the tube? Say so!

TfL are considering extending the Bakerloo line south from Elephant to New Cross via Camberwell and Peckham OR via the Old Kent Road.

Help bring the tube to Camberwell and Peckham by telling TfL the difference this would make to our community and why this is the right choice for south east London.

March: Join us at Camberwell Green at 11am on the 29th of November. Mark the date in your diary!

Tell TfL: Complete TfL's online consultation. consultations.tfl.gov.uk/tube/bakerloo-extension (NB. Question 7 – 'support' for 'development' helps the Old Kent Road option. If you want stations in Camberwell and Peckham the best answers are NO or MAYBE.)

Petition: Sign the online petition (before 7 December.) www.ipetitions.com/petition/extend-the-tube-to-camberwellpeckham

Lobby your council: If you live or work in Southwark, or Lambeth, join our deputations (see below). Register a week before.

For Southwark contact andy@blacknell.co.uk

Community council: Sat 15 November at 1pm

Southwark Council assembly: Weds 26 November at 7pm

For Lambeth contact sophytaylor@hotmail.com

Lambeth Council meeting: Weds 19 November 7pm
