

# PECKHAM TREASURE HUNT

**3.SEP. - 18.OCT.14**

**The Peckham Treasure Hunts are adventures into the neighbourhood of Rye Lane. They involve being curious, challenges, clues and walking. By taking part in the Peckham Treasure Hunts you will become an explorer and contribute to the Peckham co-design project.**

This series of eight workshops are part of the participatory process that seeks to involve adults as well as young people into defining the future of the station environment with focus on the station forecourt as a new public space in the centre of Peckham. They will investigate the different physical, social and cultural layers that shape the identity of this diverse neighbourhood.

Through playful explorations of the existing urban landscape, local history and cultures we will define the key ingredients that will make the new station forecourt belong to Peckham.

**Are you interested to organise your own Peckham Treasure Hunt? We would like to hear from you. Please contact us: [ulrike@what-if.info](mailto:ulrike@what-if.info)**
