OLD MILL BUILDING, BLACKPOOL ROAD, SE15

This large Victorian building is next to the bus garage depot on Blackpool Road. It is known locally as the 'Old Mill' building, though not much more is known about its history. Nonetheless, it is an attractive, sturdy building in a good state of repair.

The building is in the middle of the 7-acre site designated by the Council for TfL's tram depot. If that plan went ahead it would be demolished along with all the other buildings on the site, including the magnificent 'Bussey building'.
